

AP Seminar Syllabus Questions

Use these questions to guide your group through the syllabus. You and your partner(s) are to answer each question - in written form - and will be expected share your answers with the class. Your responses will be graded based on accuracy of information - you will not lose points for poor grammar, incorrect punctuation, or crappy syntax.

Course Overview

1. What is the purpose of this course?
2. What is meant of a “sound argument”?
3. Which assessments are scored by College Board? By your Seminar teacher?
4. What, if any, are your requirements during the holidays?
5. Define a “good writer.”
6. Will you be graded on the Mock assignments?
7. Summarize the disclaimer section. What does that mean to you? To me? To your parents?
8. When is it okay to use information without citing it?
9. 1-2 sentence description of each CR

10. What date is your AP EOC Exam? What percentage of the EOC?

11. Describe the five big ideas identified by the College Board.

12. Describe the differences between each Performance Task.
